Core Capabilities

Placeholders marked with 🗑️ — swap in real, disclosable project details.

CRM INTEGRATION

🗑️ Multi-CRM Lead Routing

Connected HubSpot, ActiveDemand and Aline CRM into WordPress lead forms — deduping contacts and routing inquiries automatically.

ANALYTICS

🗑️ GA4 + Custom Event Tracking

Set up Google Analytics goal funnels, UTM strategy, and conversion tracking across paid landing pages.

HOSTING & SPM

🗑️ WPEngine Server Management

Managed staging → production deploys, caching rules, SPM alerts, and uptime on WPEngine-hosted sites.

PLUGIN DEV

🔗 Custom Plugin Build

Built a custom plugin from scratch for [feature] — hooks, custom post types, and an admin settings panel.

FORMS & QA

🔗 Form Integration & Testing

Integrated Gravity Forms / custom forms with CRM webhooks, then QA-tested submission, validation and spam edge cases.

CI/CD

🔗 GitHub Actions Pipeline

Built a CI/CD pipeline — lint, build, staging deploy, and one-click production launch via GitHub Actions.

GUTENBERG

🔗 Custom Block from Scratch

Authored a native Gutenberg block (React + block.json) for a reusable, editor-friendly content section.

MONITORING

🔗 NewRelic Performance Watch

Instrumented NewRelic APM to track page load, DB query time, and error rates post-launch.

WEBHOOKS

🔗 Custom Webhook Pipeline

Built outbound webhooks connecting form submissions and CRM events to internal tooling.

AI WORKFLOW

🔗 Claude-Assisted Dev Workflow

Used Claude for code review, QA test-case generation, and content/SEO drafting inside the build pipeline.

INTERNAL TOOLS

🔗 Internal Ops Dashboard

Built an internal site/dashboard for the team to track launches, tickets, and site health across clients.

MULTISITE

🔗 WordPress Multisite Network

Configured and maintain a multisite network sharing themes/plugins across several client properties.

DESIGN HANDOFF

🔗 Figma → Build Support

Partnered with design on Figma specs, translating components into pixel-accurate, responsive markup.

Senior Living & Agency Work — Fountain Digital

Fountain Digital specializes in senior living marketing and keeps client names confidential in public case studies, like most agencies in this space. Add real, disclosable client names once confirmed.

SENIOR LIVING

🔗 Community Website Redesign

Rebuilt a senior living community site for speed, local SEO, and inquiry-form conversion.

SENIOR LIVING

🔗 Portfolio-Wide Launch

Rolled out a templated site framework across multiple community locations for a senior living operator.

SENIOR LIVING

🔗 CRM & Lead Nurture Setup

Connected inquiry forms to CRM nurture flows to shorten move-in decision timelines.
